

Southern Maryland Country Western Dance Association

**P.O. Box 1077
Clinton, MD 20735-5077**

November 6, 2007

To all our SMCWDA members:

We, the Board of the Southern Maryland Country Western Dance Association, have decided it is time to discontinue the Association. After many conversations about dwindling funds, very low attendance at dances too many months on end, and a seeming lack of interest in country western dancing by many of our members, both past and current, it was obvious we couldn't continue much longer. The last dance of the year seemed the right time to end. It was a fun place to go for many years, and we hope you'll all have fond memories of those times as we will. This final dance on November 24th will be a free dance with lots of food, and hopefully, will bring out a good number of you to help see the Association out with a great evening and good dancing. Any and all money left in our treasury after that dance will go to the ASPCA of Charles County. Anyone wanting to make a donation the night of the dance to add to the donation our Association will give can do so. Happy Trails – we'll miss you.

The Board
